```

This tree should expand its subsections when
clicked on main vertical. Should be
responsive. Thinking of using Treant. js to
achieve this.

. action . →

Joining hands image.

same footer as home page.

Vayam means we. So the idea is that there would be different entities each resembling a jigsaw puzzle piece and ~~not~~ on some action these entities will align and solve the jigsaw puzzle forming an image of two ~~hands shake~~ joining hands.

(11) Impact Page.   (layout TBD)
The idea here is to have.
